

**We hope to help mentor,  
support spiritually,  
and provide community  
for you and  
your children.**

### **Join us**

Our goal is for the children who attend our church is to have a awesome time at church while learning biblical principles.

Our priority is their safety. Children's classes are monitored by surveillance. All teachers have passed a background check.

Of course your children are always welcome in the service if you are more comfortable.

Children's church is offered for kindergarten through fifth grade.

### **We Welcome Your Family to Our Church**

- ⇒ Bible based Spirit filled community sharing life.
- ⇒ Raising our children to be leaders who worship.
- ⇒ This is a Christ centered church focused on fostering children and family in community, while supporting each other!

Members attend from  
Cheyenne to Loveland and  
surrounding communities.

## We Welcome You

Our heart's cry is for every knee to bow and confess Christ as their Lord which can only be achieved with the sacrificial help of everyone working together and pursuing their individual calling.

Their hearts desire is to encourage your walk with Christ, help you to discover the continuous joy of the Lord while you sacrificially pursue the God given purpose that only you can fulfill. Reach for your dreams! Follow your callings. It is the church's responsibility to support your development in your ministry.

They are absolutely committed supporting the family. As we Christ and sharing His compassion to others. God made the family before the church to share the gospel with others.

## What We Believe

- ◆ Jesus Christ and an acceptance of Him as your God is the path to salvation.
- ◆ The trinity, sometimes referred to as the God-Head which we believe to be God the Father, God the Son and God the Holy Spirit.
- ◆ We believe the Bible is God's Word and is applicable to our lives.
- ◆ We believe we must ask Jesus for forgiveness which reconciles us with God the Father.
- ◆ We believe there is power, blessings and significance in meeting regularly to unite as the body of Christ.

## Stump the Preacher

“Stump the Preacher”, This is a fun way to start the service. The children get to share a memory verse, or ask a bible question that may stump the Preacher.

In our church service children and engaged and also participate in service.

Children are encouraged to pray for others in need.

Children start the church service with a group worship.

## Church History

The Town of Carr was founded as a watering station for the railroad when the steam train needed refueling. The town received its name after one of the executives for the railroad.

The Carr Community Church was founded in 1909. The Carr women's club raised \$200 to pay for the bricks and another \$200 for the labor. The original building was built in December of 1911 as a Presbyterian church.

In the late 1980's the church elected to become non-denominational to meet the needs of the community. Since, the church is thriving to fulfill the great commission. Big things come from a country building. Lives are changed as God reveals purpose to individuals accompanied by joy, peace, love and happiness.

Visitors are always welcome whether online or in person!
